

LEARNING IS FUN AT JLL

Joseph Learning Lab

How can you help?

With your help Joseph Learning Lab can ensure that a family who has financial challenges can have an opportunity to get their child a start in a one-on-one tutoring session. JLL is equipped to assess the needs of students and get them on the path to excel in math, reading and writing skills.

Your company can help by becoming a sponsor and donating merchandise or services for the tutoring activities and transportation. Your donation will help to close the learning gap that many children are struggling with and reduce the dropout rate “one child at a time.”

Please know that this is your opportunity to give back to the community and put a student on the path to lead a productive life. Join us by sponsoring as many students as you would like.
