

# Learning is fun At Joseph Learning Lab

## Learning Lab Enrichment Program

**When:** June 22 - August 3, 2020  
9:00 am - 1:00 pm (M-F)

**Where:** Virtual Tutoring offered by  
"Joseph Learning Lab (JLL)"

**Registration:** Starts April 22, 2020

**Program:** Six weeks of fun learning sessions in a Virtual environment where your child is instructed by qualified instructors. Children have adequate time and attention to receive quality out of school enrichment. The program helps scholars to develop positive attitudes about learning, motivation, self-esteem, leadership, and curbs summer learning loss.

- Morning Motivational Sessions
- Enriched Reading Curriculum
- Core Course Learning Sessions
- Computer Lab
- Nutritious Meals (Vouchers)
- Fun-Fit Sports Activities
- Field Trips TBD

**RESERVE YOUR SPACE NOW**

~FREE~

*We look forward to helping your child learn, become better readers, writers, improve academically, build confidence, improve critical thinking skills, grades, and test scores.*
